Purpose overview

These qualifications are designed for learners who are working in, or preparing to work in food manufacturing or in food supply chain operative, supervisory or management roles.

The aim of these qualifications is to assess underpinning knowledge to recognised National Occupational Standards.

Ofqual purpose – E.3 Develop knowledge and/or skills relevant to a particular specialisation within an occupation or set of occupations

Details of each qualification can be found on the following pages.

Further Information

Further information can be obtained from our website at: <http://www.fdq.org.uk/our-qualifications/technical/food-safety/>

Or by contacting FDQ Tel: 0113 3970 395 Email: fdq@fdq.org.uk

FDQ Level 2 Award in HACCP-Based Food Safety Systems

Purpose

These qualifications are designed for learners who are working in, or preparing to work in food manufacturing or in food supply chain operative roles.

Ofqual purpose – E.3 Develop knowledge and/or skills relevant to a particular specialisation within an occupation or set of occupations.

Learners do not require any prior qualifications or experience to take this qualification.

Rules of Combination (RoC)

	Award
Total credits required for qualification	1
Group A - mandatory	1
Guided Learning Hours Range (min-max)	8 hours
Total Qualification Time (TQT)	9 hours

Assessment

Assessment is by one multiple-choice examination provided by FDQ or approved by FDQ or portfolio of evidence. This qualification is an Award requiring achievement of 1 credit, graded at pass/fail. Reasonable adjustments apply that allow learner support for oral or other assessment adjustment arrangements. Examination is provided either by paper based or on-line examination; centre marked or internally quality assured or externally marked. FDQ external quality assures all centre assessment and internal quality assurance practice and arrangements.
